## SciFed Journal of Protein Science

SciFed Journal of Protein Sciences is an international, online, peer – reviewed, multidisciplinary open access journal that publishes illustrative manuscripts related to proteins & enzymes as well as their metabolism. It aims in revealing the hidden mysteries behind the enzymology, function of proteins and their role in synthesis and metabolism.

The scope of the journal covers research topics like biochemistry, bio catalysis, molecular cytogenetics, protein expression, protein and enzyme synthesis, proteins as drug targets etc.
